Dear Golfing Guest,

On behalf of The Tuxedo Club we would like to welcome you to one of the premiere private golf clubs in the Metropolitan area. Upon your arrival, please proceed to the bag drop area where our staff will assist you with your golf clubs and stage them at the practice facility. After unloading, please park your car and head into the clubhouse to find the locker room (men’s to the right; women’s to the left) where a locker room attendant will be on duty to assist you with anything you may need before directing you to the golf facility.

To ensure your experience at our facility is second to none, please be familiar with the following guidelines.

**Dress Code**
Acceptable clothing includes slacks, Bermuda shorts, golf skirts, and collared shirts (ladies may wear shirts without collars if they have sleeves). We encourage our members and guests, if in doubt, to err on the side of formality and conservatism. Unacceptable clothing includes T-shirts, tank tops, men’s short sleeve mock turtlenecks, logoed sports jerseys, jeans, cut-offs, denim garments, bicycle shorts, swimming attire, sweatsuits, coaching shorts, cargo shorts, and shorts that are higher than four inches above the knee. Members and guests are expected to keep their shirts tucked in (ladies may wear golf shirts untucked in a fashionable manner). Headgear should be worn with the bill forward. When entering the Clubhouse, all headgear must be removed.

**Cellular Phone & Wireless Device Policy**
The use of cell phones and other wireless devices is strictly prohibited on Club premises, except in vehicles or in the Clubhouse telephone booth. Please turn off your cell phone and leave the Club’s phone number if you need to be reached. In the interests of safety, it is also requested that drivers stop using their cell phones as they approach the entrance to the Club and not use their devices while their cars are in motion on Club premises.

**Smoking Policy**
In accordance with the New York statewide “No Smoking” regulations, The Tuxedo Club observes the following policy: Smoking is not permitted in any building or area under roof or with sides, including the outdoor terraces and porches. Please dispose of cigarette and cigar butts in a trash receptacle.

**Pace of Play**
Playing golf at a reasonable pace of play makes the game more enjoyable and demonstrates the proper respect for others on the course. It is the group’s responsibility to keep up with the group in front of them. A foursome is expected to complete 18 holes in four hours or less, or 9 holes in two hours or less. If a group fall a hole behind and is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group.

For additional information about our club, please visit our website at www.thetuxedoclub.org or contact our golf shop at (845) 351-7350.

Once again, welcome to The Tuxedo Club. We hope you enjoy your round of golf and have an enjoyable day.
